JOB DESCRIPTION

SPA VISION

To be one of the Pacific’s leading port in providing safe, efficient and effective port services

SPA MISSION

To continue developing ports infrastructure, in collaboration with the Government’s economic and social requirements, providing quality services and compliance with national and international port standards, systems, environment and skills as reflected in the SPA Act 1998

BACKGROUND

Samoa Ports Authority (“SPA”) was established under the Ports Authority Act 1998 and commenced operations in July 1999. SPA operates as a self-funding, commercially viable organization and is required to ensure that the ports and maritime needs of Samoa are met in an effective, efficient and timely manner.

Its main functions include the provision, management and maintenance of adequate and efficient port services, facilities and security in ports and approaches; the provision of any goods or the performance of any services to assist the Ministry of Works and Transport Infrastructure (“MWTI”) in the exercise of its statutory function. It may at its discretion enter into an agreement with the MWTI in respect of payment, the regulation of navigation and maintenance of navigation aids within ports and approaches; the promotion of its use, improvement and development of ports; and the co-ordination of all activities of or within ports and approaches.

SPA is undergoing significant reforms as the result of Performance Audits (2012) and Port Scoping Study (2013) in order to well position itself to achieve its vision of being the most efficient and cost effective hub and spoke port in the South Pacific region.
